The college possesses the competences of a public school.

School with a 13-year tradition in teaching

Further Education College “Oświata” was founded in 1992. It is situated in the centre of the city and all the classes are held there. Students can choose between the intramural and extramural form of studying acquiring the technician qualification. In the second year students choose their field of specialization.

College has its own didactic base and aesthetic lecture rooms with audio-visual equipment and computer positions. Classes are carried out by experienced and highly qualified teachers, with excellent substantial and pedagogical background, and practitioners with long professional experience.

College attaches great importance to teaching foreign languages and their practical use. It also realizes international exchange programmes and within their framework conducts student exchange with young people from Germany.

Our graduates find employment in renowned hotels in Poland and abroad.

We are one of the best hotel business schools in Poland.

One of the school’s achievements is coming second in the Nation-wide Knowledge on Hotel Industry Competition by one of our students in 2001.

Further Education College is owned by a Co-operative Society in Wrocław, which was decorated with a mark of distinction “FOR CONTRIBUTION TO EDUCATION” by the Ministry of National Education, in recognition of remarkable achievements for the benefit of schools development.
